DRAIN OPENER & DESCALER

FOR TRADE AND INDUSTRIAL USE

organic

'EVERFREE'[®]

FAST • EFFECTIVE • SAFE

DESCALING AND CLEARING DRAINS

'EVERFREE'[®] rapidly opens and descales slow flowing and blocked drains. Its unique formula dissolves limescale, phosphates and organic matter that may be causing a blockage up to four metres away from the access point.

SURE AND FAST

Pour the appropriate amount of 'EVERFREE'[®] down the nearest access point to the blockage or scale build-up and its unique formula will get to work with the problem on contact.

SAFE TO USE

'EVERFREE'[®] does not contain dangerous sulfuric or hydrochloric acid or even potentially harmful sodium based alkali products. 'EVERFREE'[®]'s unique organic formulation works fast but is non-hazardous, non-toxic and operator safe. 'EVERFREE'[®] is harmless to septic tanks and is environmentally friendly.

'EVERFREE'[®] "a product for a safer future for you and the environment"

PRODUCT INFORMATION SHEET IN COMPLIANCE WITH THE HEALTH AND SAFETY AT WORK ACT.

ORGANIC 'EVERFREE'[®]

is a powerful concentrated cleanser and drain opener that removes limescale build-up, grease, verdigris, sludge, soap powder residues and organic matter blockages.

PRECAUTIONS

Not essential to wear full protective clothing but eye protection should be worn to prevent splashes entering and inflaming eyes. Protective gloves should be worn as prolonged skin contact could cause irritation (as with all concentrates).

INDUSTRIAL DRAINS

Directions for use:

Size	Amount	Dwell Time	Flushing Recommendations
3" - 4"	1litre	30mins	with water 5 mins
6" - 8"	2litre	30mins	with water 15 mins
Grease traps	0.5litre - 1litre	30mins	with water 2 mins

DOMESTIC DRAINS

DOSE WEEKLY

For sinks, drains, baths, showers, toilets and urinals - pour 1 cup of 'EVERFREE'[®] carefully into the drain. Wait twenty minutes then flush with plenty of clean water to remove all traces of 'EVERFREE'[®] and to ensure that the drain remains free flowing.

BLOCKED DRAINS

To treat severely blocked drains pour half of the container contents into trap and leave overnight. Flush next morning. If flow is still restricted repeat application.

**TRANSPORT AND STORE
IN SECURE AREA**

SPILLAGE

Hose any spillage to drain.

SAFETY

KEEP OUT OF REACH OF CHILDREN

DO NOT MIX WITH BLEACH OR OTHER DRAIN CHEMICALS. DO NOT SWALLOW.

CAUTION

Do not allow concentrate to come into contact with marble surfaces or soft furnishings. If splashed wash off immediately otherwise etching or discolouration could take place.

FIRST AID

EYES: If accidentally splashed into eyes irrigate thoroughly with clean water for 15 minutes. Seek medical attention if irritation persists.

SKIN: Prolonged contact is not advisable. Rinse off immediately.

IF SWALLOWED: Do not induce vomiting. Drink plenty of water followed by milk. Call doctor immediately and show him this label.

WARRANTY

This product is sold only on the understanding that The Wiseman Group accept no liability whatsoever for any loss or damage direct or indirect for any purpose other than that recommended by The Wiseman Group or if the product is not used strictly in accordance with the instructions and/or directions issued with the product. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such or in combination with other materials. Statements concerning the use of these products are not to be construed as recommending the infringement of any patent, and no liability for infringement arising out of any such use is assumed.
