Welcome

Cadco Pvc manufactures high quality maintenance free plastic building products It supplies all markets from new build to refurbishment.

An extensive range of rainwater, underground, soil and waste systems and PVC-UE cellular foam building products are produced to British Standards and above using the latest machinery and tooling.
The product adheres to ISO 9001:2008 Quality Management System

A dedicated and flexible delivery fleet guarantees every item arrives on time and in pristine condition catering for all customers, from the single stockist to multi-branch operations. Our highly efficient telephone sales department is friendly and responsive. All are extensively trained and can provide assistance and advice on all **Cadco Pvc** products.

Ongoing commitment to product innovation and support is at the core of the **Company's** philosophy as i strives to continually meet and exceed customer expectations.
