DISCOVER THE **LIFE RANGE**

MEET THE HEART OF YOUR HOME.

Life builds upon the foundations of our well loved CDi Classic. The new range is packed with great new features, meaning Life is guaranteed to keep you warm for years to come.

THE BOILER, BUT NOT AS YOU KNOW IT

After 50 years of award winning innovation, Life makes looking after the heating and hot water in your home easier. With a brand new design, Life is quieter yet more powerful and features smartphone control compatibility, all created to make your life easier.

WHY CHOOSE LIFE?

- This is the direct replacement for our multi-award winning Greenstar CDi Classic
- Life features a modern new design, with increased power outputs of up to 50kW
- You can now control your heating and hot water from anywhere as we've made Life wirelessly compatible with the Bosch EasyControl
- We've upgraded the controls on Life, with an improved display screen and easier to use control buttons
- Life also features newly introduced technology that when combined with the unique optional Intelligent Filling System helps to keep your system pressure maintained
- You'd be joining the thousands of other happy customers who rate us 5* on Trustpilot

Combi, System and Regular**

LIFE	3 0 k W	3 5 k W	4 0 k W	4 5 k W	5 0 k W
Combi flow rate at the hot water tap (35°C)	12.3 l/min	14.3 l/min	16.4 l/min	18.3 l/min	20.3 l/min
ErP Space Heating Efficiency Class	A / 94%	A / 94%	A / 94%	A / 94%	A / 94%

And now, for complete peace of mind, you can also receive up to a **10 year guarantee** on any new Life boiler.*

*Subject to terms and conditions.

** Flow rate relates to Combi only
